CLASSIFICATION

Working Permits:

To compete at Kennel Club Licensed Trials a hound, resident in the UK must hold an Association of Bloodhound Breeders or Bloodhound Club Working Permit. Hounds from countries outside the jurisdiction of the Kennel Club must hold a restricted permit issued by their own Bloodhound Club in their own country similar in content to the U.K. permit. Awards gained in Bloodhound trials held overseas do not count towards eligibility to compete at Trials Licensed by The Kennel Club. All will begin in the Novice stake.

Stock Test:

Bloodhounds entered on a restricted permit must be hunted on a leash: they may only be hunted free if they hold part two of a Working Permit issued by the Association of Bloodhound Breeders or the Bloodhound Club to certify they are steady with farm stock. Hounds are required to have passed a stock test in the UK before being hunted off leash and are ineligible to compete in a Senior Stake until successfully stock tested.

Entries:

Bloodhounds must be entered in the lowest stake for which they are eligible at the closing date of entries.
